

WHAT BECOMES OF THE BROKEN HEARTED?

Outcomes and how to change them

14 - 17 NOVEMBER 2012 AUCKLAND NEW ZEALAND

2012 Combined Meeting of the 13th International Congress of
Cardiothoracic and Vascular Anesthesia and the
New Zealand Anaesthesia Annual Scientific Meeting

New Zealand has an international reputation for excellence in both delivery of anaesthesia and research. Auckland City Hospital has the world renowned Green Lane cardiac anaesthesiology unit. The New Zealand anaesthesiology community support this combined event and are keen to bring a fresh and dynamic approach to this prestigious meeting. Confirmed international and local speakers include:

- Paul Baker, New Zealand
- Scott Beattie, Canada
- Davy Cheng, Canada
- David Daly, Australia
- Richard Dutton, USA
- Nian-Chih Hwang, Singapore
- John Leyden, Australia
- Alan Merry, New Zealand
- Paul Myles, Australia
- Minoru Nomura, Japan
- Florian Nuevo, Philippines
- Albert Perrino, USA
- Manfred Seeberger, Switzerland
- Weipeng Wang, China
- Rick Wu, Taiwan

The programme is sufficiently broad and in-depth to cater to anaesthetists working in other sub-speciality areas. The NZA ASM is being held concurrently so delegates can move between programme streams to maximise their learning outcomes.
