

PROGRAMME

"ANY ATTEMPT AT RESUSCITATION IS BETTER THAN NO ATTEMPT"

FRIDAY 1ST May 2009

0830-1030	Welcome	Chair: National Chairman Professor Ian Jacobs	Federation Concert Hall
	Official opening	His Excellency the Governor of Tasmania	
	Plenary I (45mins)	<i>"Don Harrison Perpetual Lecture"</i> Evidence based medicine, what does it really mean?	Tony Smith
	(45 mins)	Advances in defibrillation: What more do we know since the 2005 guidelines?	Charles Deakin
1030-1100	Morning Tea		Federation Ballroom
1100-1230	Plenary II	Chair: John Pearn 1. Resuscitation during disasters (45 mins) 2. Teaching resuscitation in high Schools (45 mins)	David Zideman Sandra Clarke
1230-1400	Lunch		Federation Ballroom
1300-1400	Poster Presentations:	Moderator: Tony Walker Adjudicators: TBA	

FREE PAPERS SESSIONS

Session 1	Chair: Steve Dean	Grand Ballroom 1
1400-1415	CPR performance anxiety: how does education about ambulances' estimated time of arrival (ETC) make a difference to maintaining or increasing skills? <i>L McNeill</i>	
1415-1430	Improving medical student knowledge and competence in paediatric cardiopulmonary resuscitation – Is E-learning the answer? <i>PH Janson</i>	
1430-1445	Resuscitation training – The King Edward experience <i>L Long</i>	
1445-1500	New methods for evaluating team training for neonatal resuscitation <i>H Liley</i>	
1500-1515	The reliability and validity of the assessment process of an accredited advanced life support course <i>C Shuttleworth</i>	
1515-1530	Teaching BLS to Indigenous people in Remote Communities <i>BJ Watters</i>	

Session 2	<u>Chair: Peter Warfe</u>	Grand Ballroom 2
1400-1415	Medical student confidence to resuscitate is influenced more by clinical experiences than a resuscitation course <i>M Heily</i>	
1415-1430	Validation of a termination of resuscitation algorithm in out-of-hospital cardiac arrest with a non-shockable rhythm receiving advanced life support <i>MB Skrifvars</i>	
1430-1445	Ventilation guidelines in CPR: are they too hard to achieve? <i>Z Nehme</i>	
1445-1500	The metropolitan fire brigade emergency responder program – a review of the first seven years <i>M Boyle</i>	
1500-1515	Continuous insufflation of oxygen: an alternative ventilation method in cardiac arrest <i>A Trewin</i>	
1515-1530	In hospital cardiac arrest – living proof <i>M Padget</i>	
Session 3	<u>Chair: Frank Bridgewater</u>	Grand Ballroom 3
1400-1415	'Flinging the Squailer'. Lifeline rescues for drowning victims <i>J Pearn</i>	
1415-1430	Paramedic attitudes to prehospital resuscitation <i>T Ivanov</i>	
1430-1445	Resuscitation challenges in very remote Australian hospitals: an analysis of 15 resuscitation attempts in one hospital <i>PA Griswold</i>	
1445-1500	The challenges of reducing drowning deaths in Australia by 50% <i>R Franklin</i>	
1500-1515	The Irukandji syndrome – new species and management guidelines <i>LA Gershwin</i>	
1515-1530	Teaching culturally diverse communities CPR with "4 steps for life" <i>LJ Kamp</i>	
1530-1600	Afternoon tea	Federation Ballroom
1600-1700	Plenary III	
	<u>Chair: Hugh Grantham</u>	
	Decision rules for termination of resuscitation (45 mins)	Laurie Morrison
1700	Close	
1930	Conference Dinner	

SATURDAY 2nd May 2009

0900-1030	Plenary IV (Using evidence in practice)	<u>Chair: Malcolm Anderson</u> 1. The Legal Status of Guidelines (30min) 2. How do we learn? (30 mins) 3. Learn CPR in 30 minutes (30min)	Federation Concert Hall Jim Tibballs Russell Jones Peter Morley
1030-1100	Morning tea		Federation Ballroom
1100-1300	Concurrent I (Paediatric Management)	<u>Chair: Jennifer Dennett</u> 1. The Role of Pulse Palpation in Starting CPR (30min) 2. Children as rescuers(30min) 3. Resuscitation of children and infants (30min) 4. Fluid resuscitation in children (30 mins)	Grand Ballroom 1 Jim Tibballs Sandra Clarke David Zideman Richard Aickin
	Concurrent II (Roles / Teamwork)	<u>Chair: John Hall</u> 1. Airway management in trauma 2. Paramedics RSI after severe traumatic brain injury (30min) 3. Delivering resuscitation instructions by telephone - challenges for ambulance service CPR delivery (30min) 4. "Code Blue: 222" Standardising in-hospital resuscitation (30min)	Grand Ballroom 2 Tony Smith Stephen Bernard Charles Deakin Malcolm Anderson
	Concurrent III (Education)	<u>Chair: Julie Considine</u> 1. ALS Assessments – Bang for buck or bad investment (30min) 2. Effective facilitation (30min) 3. ARC / ILS / ALS / Instructors Course (30min) 4. eLearning & resuscitation training	Grand Ballroom 3 Judy Currey Russell Jones Ian Jacobs Shane Lenson
1300 – 1400	Lunch		Federation Ballroom

1400-1530	Concurrent IV (Trauma)	<u>Chair: Richard Aickin</u> 1. Trauma medicine shock: how much have we forgotten (30min) 2. Cutting edge developments in trauma (30min) 3. Trauma in Tarin Kowt – Afghanistan (30min)	Grand Ballroom 1 Hugh Grantham Michael Parr David Scott
	Concurrent V (Resuscitation evidence)	<u>Chair: Michael Anderson</u> 1. International process (30min) 2. Quality CPR (30min) 3. Mechanical CPR adjuncts: is there any evidence they work? (30min)	Grand Ballroom 2 Peter Morley Ian Jacobs Laurie Morrison
	Concurrent VI (Clinical updates)	<u>Chair: Shane Lenson</u> 1. A systems approach to reperfusion in ST elevation myocardial infarction (30 min) 2. Anaphylaxis (30min) 3. Evidence based approach to stroke care (30min)	Grand Ballroom 3 Darren Walters Jane Peake Julie Considine
1530-1600	Afternoon tea		Federation Ballroom
1600-1650	Plenary V	<u>Chair: Peter Morley</u> Panel discussion: resuscitation controversies, debate & discussion Laurie Morrison, David Zideman, Sandra Clarke Tony Smith, Ian Jacobs	Federation Concert Hall Charles Deakin
1650-1700		Closing remarks	

BIOGRAPHIES

Keynote speakers – see registration brochure

Invited speakers

Dr Richard Aickin	Chairman New Zealand Resuscitation Council; Deputy Convener ARC Paediatric subcommittee; Paediatric Emergency Physician & Clinical Director, Starship Children's Hospital, Auckland, New Zealand
Dr Malcolm Anderson	Chairman ARC Tasmanian Branch; Anaesthetist, Royal Hobart Hospital
A/Prof Stephen Bernard	Intensive Care Physician, The Alfred Medical Advisor DHS, Metropolitan Ambulance Service
Dr Julie Considine	ARC representative: College of Emergency Nursing Australasia; Senior Research Fellow, Deakin University-Northern Health Clinical Partnership, Victoria, Australia
Dr Judy Currey	Senior Lecturer, Co-ordinator Postgraduate Critical Care and Perioperative Programs, Deakin University, Victoria, Australia Senior Research Fellow, Alfred/Deakin Nursing Research Centre
Dr Hugh Grantham	Chairman ARC South Australian Branch; Medical Director of the South Australian Ambulance Service
Prof Ian Jacobs	Chairman, ARC; Chairman ARC Western Australian Branch; Clinical Epidemiologist & Head of Unit, Department of Emergency Medicine, University of Western Australia
Prof Russell Jones	Director of Assessment, Royal Australian College of General Practitioners Professor, Centre for Medical and Health Sciences Education and the Department of Anaesthesia and Perioperative Medicine, Monash University
Mr Shane Lenson	ARC representative: Royal College of Nursing Australia; Manager of Emergency Department Services, Calvary Health Care, ACT, Australia
Dr Peter Morley	Deputy Chairman, ARC; Convenor ARC ALS subcommittee; ARC representative: Australian & New Zealand Intensive Care Society; Consultant Intensivist and Anaesthetist, Royal Melbourne Hospital
Dr Michael Parr	ARC representative: Australian and New Zealand College of Anaesthetists; Deputy Convenor ARC ALS subcommittee; Director of Intensive Care, Liverpool Hospital, Sydney, Australia
Dr Jane Peake	Senior Lecturer / Paediatric Immunologist and Allergist, University of Queensland
Dr David Scott	ARC representative: Australian Defence Force; Senior Consultant Anaesthetist Chair, DHS Anaesthesia Consultative Group, ADF
A/Prof Jim Tibballs	ARC Paediatric representative. Intensive Care Unit, Royal Children's Hospital, Melbourne, Australia
A/Prof Darren Walters	ARC representative: The Cardiac Society of Australia and New Zealand; Director of Cardiology, The Prince Charles Hospital, Brisbane, Australia
